Other Happenings

The distinguished President *Mr. David Shepard* rang the bell and we welcomed our visiting Rotarians: *Allen Frumkin* from Granite Bay, and *DGE Clarence Parkins* from Rancho Cordova.

Our most welcome visitor was our own beautiful daughter *Lisa* from a far off land who becomes more special each week we see her.

## Announcements

*Anne Osborne* thanked everyone for attending the DG dinner at Cattlemen's. She mentioned all the people licking their lips after eating. The food was excellent and Dee and Donna Fairbanks are always a pleasure to be with. Thanks Anne for a terrific job...we all enjoyed ourselves.

*Kirk Camunez* reminds that it is time for Coats for Kids. Just stuff it in a trash bag or throw it over your shoulder and bring it to the meeting. Kirk will take care of getting it turned in. Coats do not need to be cleaned first...Swanson's does it for free after it is turned in.

*Les Passuello* is selling \$10 raffle tickets for a chance to win two tickets to a Kings game on December 16. Great seats on the lower level. Sell them to friends...it's easy to do and people are happy for the chance...

*Jane Wise* reminds the members that they need to pay for their Foundation Dinner tickets. The event is sold out. Also get your pledges up for the Foundation Football Pool...more money is always gratefully received and goes towards your Paul Harris. The mini-book sale was coming up and volunteers graciously stepped forward.

*DGE Clarence* spoke for a minute about the biggest District project...the Dictionaries. This year over 10,000 were ordered. In Orangevale, we purchased 560.

*Brian Buckley* was presented with a Paul Harris Fellow for 'Baby' Sean Clark who is four months old. He's not the youngest in the family however to receive one...seems to me Miss Buckley received one before she was born! *Brian and Karen* are both strong supporters of the Rotary Foundation.

*Bryan Daniel and Debbie Emery* both were called to the front where Debbie was presented with her membership badge. (Yes, Bryan was fined for it!)

## The Almost Not Raffle

Our President decided to be mean...well, he called out the first number '8' and announced that there would be no more numbers called until another square was sold in the World Series Pool. Then the same for the '5', continued for the '9', and of course the '0' and finally the '8'. Guess who jumped up to...*Les Passuello* and then whined that he was confused with the orange and now white golf ball. It didn't matter...well...maybe it did...he won the money of \$128. Oh, there were 6 balls in the basket.

## That's NOT Joan

*Joan* had to be gone so her other half who is not a morning person, who spells his name forwards and backwards stepped up to the mike and tried to sleep... But *Bob* did wake up and smile when I took his picture!

*Bryan D.* -- pay for Debbie's badge

*Brian B.* -- \$1 for taking Phoebee to the airport

*Paul N.* -- late as a greeter

*Chris L.* -- phone went off at the last meeting

Now...on to happy fines!

### Happy Fines:

**Jan C.** -- \$5 with a son home for a while, he put up her Dickens decorations

**Robert G** -- went to Camp REEL Recovery which is a fly fishing get away for people beating cancer

**Russ R.** -- New Orleans is coming back

Bob then fined **Tami & George & Curtis** for their pictures in the Orangevale News as Outstanding Realtors. (Really we are all proud of you, we just have a strange way of showing it.)

### Happy Fines Continued

**Daryl C.** -- paid the \$1 fine for Brian since he must be broke after the wedding

**Karen B.** -- \$3 for the wedding

**Bud W.** -- for his first weekend trip in his RV

**Joyce F.** -- Fair Oaks Pres is the second best choir in the area

### Allen Frumkin

Allen should be known as Mr. Rotary Foundation. After he went through the 'tell me your joke', he shared his love of the Foundation.

He and PRIP Rick King are close friends, when Rick sent him to Delhi, India. There he experienced the poverty and hopelessness of the region. He held an 18 month child and looked into the father's eyes as he gave the two drops of polio vaccine, and saw trust and hope.

Al shared the story of going to Florida helping a child in a canoe who was fighting cancer...the camp was sponsored by Rotary.

His challenge was clear... "If not I -- Who?" Is it possible to change the world and rid it of hate and instill hope. Please consider these words as you decide how much to donate to The Rotary Foundation.
