CHARGING AHEAD INTO THE YEAR!

With a (very) loud voice, President Sheppard called us to order and started revving up the excitement.

The prez passed out a ballot for our review and vote on the Charitable Fund's Strategic Plan. We all look forward to the results, and no legal challenges are anticipated.

Our speakers were our BBQ committee encouraging us to sell tickets, advertising and to bring in auction items. More about the presentation later in the newsletter.

Pictures were passed of our shelter boxes arriving in Indonesia. Be at next week's meeting to hear about the ongoing to struggle to bring things back to normal for everyone there.

NEW MEMBER INDUCTED IN THIRD MEETING!

At the meeting on July 28, President Dave inducted his first new member. His MC for the event was the ever-popular Chris Lauritzen who presided over the pinning of new member Audry Smith-Weiberg.

Ms Smith-Weiberg is a native Californian with two boys, both still in school. Her oldest is in Jesuit – so she KNOWS fund raising. Her youngest is at St Alben's. Her husband is retired from the Fire Department. She is a member of Fair Oaks Presbyterian.

She wanted to join Rotary to do something for Orangevale.

PAUL HARRIS AWARDS

After proudly inducting Ms. Smith-Weiberg, our President called on Dave Harris to MC a brand new Paul Harris recipient: Ann Hively.

Additional awards were given as , Don Morris received his first sapphire , Dave Geddes his second, and Dennis Metzler out shone them all with 3 ruby! (each stone symbolizes another \$1000 donated.)

And **Heather Daniel** our former RYE out bound, global trotter was awarded an Honorary Paul Harris

PROSPECTOR DAVE HARRIS

After arriving late, PDG Dave was called upon in his role as the club's PROSPECTOR.

Kris Morphew was fined for her first rotary anniversary. She also proudly announced that this Wednesday she celebrated her 39th wedding anniversary.

Mike Brown paid for the privilege of no longer being the boss of his outfit, as well as his rotary anniversary.

Joyce Fritz and Bert Smith each paid a happy fine for their trip to Europe and seeing all their RYE kids.

Our good prospector took to task those

who had not paid their dues as well as those who have not brought in back packs for the Food Bank.

Bryan Daniel has to pay for failing to provide an updated you/me list.

Karen paid a dollar for every pound she's lost this week.

Finally, Dave did not absolve himself for coming late, and paid \$5 both for being tardy and in anticipation of being on TV at the Monarchs game when the Court of Dreams is officially announced.

In the end, he gladly auctioned off his job to Rob Auernig (Thanks Les) for the sum of \$25.

BBQ/AUCTION PROGRAM – July 28, 2006

While our program was not a power point this week, it did involve visuals.

Our illustrious BBQ leader, Steve Blair passed out several handouts regarding last year's auction and the profit centers. We can expect to receive an average of \$100 per person. So the more people who come, the more we earn. Last year the BBQ/auction netted almost \$25,000.

Most of that money comes from the Auction so we need items to sell. We make most of our money on those big-ticket items, but we also make money on the little items, like the baskets Karen Buckley puts together. "An item a week is all we ask"

If you know anyone with a houseboat, condo or other vacation place, those

make great live auction items.

Finally, Steve reminded us that our door prize is, as always, the coveted wine rack. Everyone needs to bring in one bottle of wine (The \$10 stuff at least) to fill the rack.

Rob Auernig exhorted us to look for advertisers == don't forget the deals if someone wants to advertise, provide a prize AND come to the BBQ. Our special sponsors even get special recognition.

Les Passuello reminded us to SELL TICKETS, we can't raise the money if we don't fill the seats.

Make sure you fill out the stubs for the aforementioned wine rack.

LAST MINUTE REMINDERS

Don't forget, the La Placita is dark on Friday August 18th because we are having a joint meeting with Citrus Heights on Monday the 14th at 12:15 p.m. at the Citrus Heights Community Center to hear Dan Lungren speak.

Arlene has tickets for the Best of Citrus Heights, in which some Orangevale establishments are in the running. Proceeds to ALS (Lou Gehrig's Disease)
